BRANCH ACTIVITY REPORT TO COUNCIL, April 2003

BRANCH ACTIVITIES

- The branch AGM took place on March 27, 2003. Our 2003/4 executive was elected. A presentation by Dr. Andre Plourde (U of A School of Business) titled: Kyoto: A Modern Myth? was well attended. The presentation was followed by refreshments. Please see the sidebar for the names and positions of our new executive. They will formally assume these positions on April 26, coinciding with the AGM.
- The local branch supported the Engineering and Geoscience Week activities at the Oilsands Discovery Centre. We supplied volunteer judges for the Science Olympics and also staffed an APEGGA activity booth.

UPCOMING EVENTS

- The Annual Planning Session has not yet been scheduled.
