BRANCH ACTIVITY REPORT TO COUNCIL, April 2003

BRANCH ACTIVITIES

- We held a wine tasting social event in February which was a success. Approximately 25 people attended, and all enjoyed the experience.
- The president's visit in March was also well attended; over 70 members were present. The branch Annual General Meeting was held immediately after dinner, and the new executive was elected.
- The Peace Country Science Olympics occurred during National Engineering Week. It was a tremendous success. The Grande Prairie newspaper contained an article on the event afterwards, and the students had a great time.
- Our college liaison organised a job shadow day for the Grande Prairie Regional College students. The job shadows ended with an informative technical night event where 3 local professionals discussed starting their own businesses.

BRANCH BUDGET

- The Branch is financially sound.

UPCOMING EVENTS

- Golf Tournament (in partnership with ASET)
