Lethbridge Viaduct (CPR High Level Bridge) Centennial Celebration

- Sufficient funding from APEGGA and a number of local Lethbridge permit holders has been received. APEGGA will be the major sponsor of the 5-month Galt Museum exhibit.
- In addition, there may be sufficient additional funding to set up a long term scholarship to commemorate the centennial.
- The September APEGGA Council meeting will be held in Lethbridge at the Galt Museum and will be one of the last events that make up the centennial celebrations.

Branch AGM

- This was held on March 19, 2009.
- A record high (as far as we can remember) 36 members attended the AGM.
- APEGGA Voluntary Service Awards were handed out to ten (10) APEGGA members.
- The Branch members were updated on the bridge centennial plans.
- A new executive was elected.
- The new Executive will meet in the very near future to plan the additional activities for 2009.

Science Fair / Science Olympics

- The Branch is a major sponsor of the Lethbridge Regional Science Fair and Olympics.
- Branch members, particularly Cal Koskovich and Mark Bellamy, are very active in taking a lead role in organizing the events, as well as individual school science fairs.
