## **BRANCH ACTIVITY REPORT TO COUNCIL, April 2003**

---

### **BRANCH ACTIVITIES**

- The President's Visit was held in March at DRDC-S. There were 52 in attendance for an excellent meal, a presentation by Ron Tenove and the induction of 5 new members.
- Branch volunteers participated in the local Science Fair held at the Medicine Hat Mall. The event was a tremendous success with over 140 students participating.
- A student mixer held for the Engineering Students at Medicine Hat College went well with a number of different presentations given by local engineers.
- The branch AGM was held on February 26 with the transition to a new executive.
- The branch continues to hold monthly events at local businesses/points of interest. The most recent event was a tour of Schreiner Targets Canada.

### **UPCOMING EVENTS**

- May event is yet to be confirmed.
- A family event will be held in June and details are being finalized.
- Annual APEGGA/ASET golf tournament is scheduled for August 16 at Cottonwood Golf Course.
