Medicine Hat Branch

---

## **BRANCH ACTIVITY REPORT**

**June 19, 2006**

---

### **BRANCH ACTIVITIES**

Since our last report, our branch exec has met twice, on April 12, 2006 and again on June 12 for an executive appreciation get together at the home of Robert Arthur, P.Eng, Branch chair. It is our practice to hold exec meetings immediately following the council / branch chairs meeting and so will be holding our next exec meeting the week of June 26.

- The Medicine Hat Branch is still working to ascertain why we had no buy in from the schools re: the science olympics. It is our intention to be better prepared for this and to work more closely with schools, school districts and local members in preparation for next year's event
- At our executive appreciation dinner, we honored Bob Hawrelak P.Eng and Mary Ann Byrd for significant contributions to the branch. Our newest member, Sandra Plank P.Eng, was also presented with her P.Eng Pin

### **BRANCH BUDGET**

The Branch is in good financial health

### **UPCOMING EVENTS**

1. Kenzie Liefso, Branch Secretary, to attend the Branch Chair's meeting and council meeting, this month on behalf of the branch
2. The Medicine Hat Branch had an excellent presentation on the mine planning aspects of the BOW CITY POWER PROJECT at their April technical/social meeting. Presenter Joe DeRosier, P.Eng. is a graduate of the University of Alberta with a Bachelor of Applied Science in Mining Engineering; and, is a Senior Mining Associate with NORWEST CORPORATION.
3. We have another Technical / Social meeting tentatively targeted for June 27 where members will hear a presentation on the City of Medicine Hat's work with exploration of geothermal energy
4. The water treatment presentation scheduled has fallen through as our speaker has been relocated. We will finalize this meeting at our branch exec meeting at the end of this month
5. Annual Golf Tournament to be held in August, and preparations are well underway for this event.
