BRANCH ACTIVITY REPORT,

April 26, 2007

BRANCH ACTIVITIES

Branch Meetings:

Peace River Branch held 3 executive meetings since the last report. Further, we held 2 Science Olympic Planning meetings. Hold 5 branch events.

President Visit:

The Peace River Branch President's Dinner was held on Monday, February 26th. The event was attended by 46 individuals --> 18 guests, 9 students and 19 professional members. Guests this year included the Honorable Mel Knight, MLA Grande Prairie Smoky, newly appointed Minister of Energy and Dan Percy from the Grande Prairie Chamber of Commerce. Eight new inductees were awarded with membership certificates and pins. Minister and President emphasized the importance of ASET and APEGGA coming ballots on the One Act, Two Associations model. President also included the issues of national and international mobility, the APEGGA Education Foundation and other topics

Science Olymics 2007

The Science Olympics was originally planned for February 10th, but due to low registration turnout, the event was re-schedule for March 24th, 2007 at Crystal Park Shool. This year we are able to generate very sound budget for the event. Nine teams comprising of senior and junior high along with the APEGGA team took part in the whole day event. Event went very smoothly and everyone including students, volunteers and parents enjoyed every excitement, specially the presentation by our guest speaker Lucio Gelmin of MacEwan college about science and its application.

School Presentations:

Dr. Bert Hunt did two school presentations to Teacher's Aid and Teachers in March on the significance of Peace Region Dinosaurs.

Student Night

A student night was held on April 09, 2007. Event was attended by 32 students and members. Guest speaker Hasan Rizvi, P.Eng gave a presentation on Design and Development of Forest Harvesting Equipment – A Risley Experience. Presentation theme was to generate interest for being a designer and to understand the whole design process from inception to the completion and to understand the process involve in monitoring the project life cycle.

Permit to practice Seminar

A Permit to practice seminar was held on 11 April, 2007. Twenty five members attended the event. Ross Plecash, P.Eng presented the Seminar. Received very positive responses for the contents and the speaker's skills from everyone who attended.

Upcoming Events

April: A wrap-up meeting for the Science Olympics Committee.

April: Alan is scheduled to do school presentation to grade 6 class at IV MacKlin school.

May: Branch AGM is scheduled for this month.
