## **BRANCH ACTIVITY REPORT TO COUNCIL, November 2003**

---

### **BRANCH ACTIVITIES**

- We held a science night event at a Grande Prairie elementary school which was a tremendous success. The event is comprised of approximately a dozen different activities which teach the children science and engineering principles in a fun atmosphere. More people volunteered than were required to setup and supervise the various children's activities, and everyone had a wonderful experience.

### **BRANCH BUDGET**

- The Branch is financially sound.

### **UPCOMING EVENTS**

- Technical Night (will be inviting ASET to attend)
- Grande Prairie Regional College Career Expo
- Wine Tasting
