

WORK EXPERIENCE RECORD SUMMARY

Applicant Name	Bill Smith, E.I.T. 123456	Date	June 30, 2011
-----------------------	---------------------------	-------------	---------------

PLEASE FILL IN POSITIONS IN REVERSE CHRONOLOGICAL ORDER FROM THE MOST RECENT.

WORK RECORD 1

Employer	GS Oil Resources	Country	Canada
		Supervisor Name & Professional Designation	John Bear, P.Eng
Position	Intermediate Structural Engineer/E.I.T.	Reference Name & Professional Designation	John Bear, P.Eng
		Reference E-mail Address	john.bear@nongenericemail.com
Start Date	Sep-06	Reference Mailing Address	
Finish Date	Dec-09		
Total Months	39		

General Nature of Responsibilities and Experience Gained

1. Responsible for designing 4-28" hydrotransport pipeline support/maintenance platform at major plant
2. Responsible for designing concrete CIP piling and foundation of the platform and associated steel ramps
3. Prepare and check the Construction Work Package (CWP) and Scope of Work (SOW) package for bidding

WORK RECORD 2

Employer	AB Oil Company	Country	Canada
		Supervisor Name & Professional Designation	Jim Black, P.Eng
Position	Structural Engineer/E.I.T.	Reference Name & Professional Designation	Jim Black, P.Eng
		Reference E-mail Address	jblack@nongenericemail.com
Start Date	Jan-02	Reference Mailing Address	123 Alpha Street W Edmonton, AB T1A 2B3
Finish Date	Sep-06		
Total Months	56		

General Nature of Responsibilities and Experience Gained

1. Responsible for design of main piperack, flare line piperack bridge and train sections for major projects
2. Responsible for analysis and design of steel pipe piling for piperacks
3. Responsible for responding to questions and finding solutions to RFI's from site, module yard and steel fabricator

WORK RECORD 3

Employer	Global Computech Inc.	Country	Canada
		Supervisor Name & Professional Designation	Paul Edgecomb
Position	Intermediate Structural Specialist	Reference Name & Professional Designation	Paul Edgecomb
		Reference E-mail Address	p.edgecomb@nongenericemail.com
Start Date	May-00	Reference Mailing Address	
Finish Date	Jan-02		
Total Months	20		

General Nature of Responsibilities and Experience Gained

1. Analysis and design of various steel structures and concrete foundations in major projects
2. Analysis and design of steel structures in major projects
3. Steel structure design, CWP preparation in major projects
