

30th Annual APEGGA Golf Tournament 2007

Join us for the **30th Annual APEGGA Golf Tournament** at the Red Deer Golf & Country Club on **Monday, August 20, 2007**.

This year is our **30th anniversary of the APEGGA Golf Tournament**. We are planning several special events to mark the occasion. The format will remain similar to previous years.

The registration fee has increased to match increases in RDGCC tournament charges. The registration fee includes breakfast, power carts, 18 holes of golf, prizes and GST (89018 7586RT).

The **APEGGA Education Foundation Mission** is to enhance and provide leadership and support in the education and development of engineers, geologists and geophysicists, and those who wish to enter the professions. We are pleased to announce that the tournament will increasingly seek to assist AEF objectives.

Included on the registration form is the provision for you to make a contribution to the APEGGA Education Foundation for which a charitable donations tax receipt will be issued to you.

Please provide golf handicap and email address (if available) on registration form to be returned with payment by normal mail. Last year tournament waitlist started June 15.
