

## **Professional Practice Department Volunteer Positions Available**

APEGGA's Professional Practice Department is looking for experienced APEGGA members to fill vacancies on the following committees and boards.

Most positions are for three-year terms. Volunteers are expected to attend committee meetings regularly - approximately 6 to 8 times each year. Meetings are normally one-half day each. Meeting locations usually alternate between APEGGA's Edmonton and Calgary offices and are also conducted by video conference. Occasional travel will be required to attend face-to-face meetings. Authorized travel expenses will be reimbursed. In addition to meeting attendance, volunteers will be required to commit time to certain additional duties depending on the particular committee.

Summaries of the committees' activities can be found in the Annual Reports on APEGGA's web site at [www.apegga.org](http://www.apegga.org). The web site also provides each committee's terms of reference.

### **Practice Review Board**

Minimum of 10 years of practice experience required. Duties also include conducting reviews of individuals' and permit holders' professional practices, and possible participation on subcommittees conducting general inquiries.

### **Discipline Committee**

Minimum of 10 years of practice experience required. Duties also include serving as a member of a discipline hearing panel and/or serving as case manager on matters that are decided without the need for a formal hearing.

### **Practice Standards Committee**

Registration as a permit holder's Responsible Member is preferable. Duties also include participation on subcommittees for the development of practice standards and guidelines.

### **Environment Committee**

Duties also include preparation of draft position papers on environmental issues and development of practice standards or guidelines.

Please submit an application, indicating the committee for which you wish to be considered, including a resume with your name, address, phone, fax, email and employer information. Include your field of practice or interest and indicate your applicable experience or expertise. If you have previously served on APEGGA committees, note which ones and when.

Forward your application to:

Ray Chopiuk, P.Eng.  
Director Professional Practice  
APEGGA  
15<sup>th</sup> Floor, Scotia One

10060 Jasper Avenue  
Edmonton AB T5J 4A2

By fax: (780) 426-1877

By email: [rchopiuk@apegga.org](mailto:rchopiuk@apegga.org)

We greatly appreciate all applications. However, not all volunteers can be placed. Continuity of experience and specific representation from the engineering, geological or geophysical professions or specific disciplines may need to be accommodated.
