

The Association of Professional Engineers, Geologists and Geophysicists of Alberta (APEGGA), with a membership over 50,000, is responsible for regulating, leading and upholding members in the practice of their professions.

The Association has an opening for the following new position:

MANAGER MEMBER AFFAIRS

The candidate must have a range of experience that will allow effective management of our member services and recognition programs as well as outreach programs for students from kindergarten through university. The successful candidate will be a strong team player with excellent interpersonal, problem-solving, analytical and computer skills who is looking for a challenge in a growing organization where increasing demands are being placed on its resources.

Reporting to the Director, Internal Affairs this person will manage a team of seasoned employees who provide volunteer coordination, event planning, fundraising, salary surveys, career services, product & services discounts, branch liaison, and student outreach & liaison.

Location: Edmonton

Closing Date: July 30, 2007

Please submit your resumé to:

Len Shrimpton, P.Eng., MBA
