

Professional Engineers Wanted

The University of Calgary Engineering Students present their annual Engineering Mixer.

Wanted: Professional Engineers
Date: Wednesday, October 15, 2008
Place: Alberta Room, Dining Centre
University of Calgary

Time: 5:00pm – 7:00pm

Professional engineers are invited to mix and mingle with University of Calgary engineering students who are about to choose their professional discipline or are about to enter their professional careers and are looking to make professional contacts for internships. Students will talk with professionals about their areas of expertise, their career path, and why they chose their specific discipline.

Companies and groups are invited to set up a small complimentary booth detailing the specifics of their organization.

If you are interested in volunteering or setting up a booth, please call Becky Windley at (403) 384-0203 or e-mail bwindley@apegga.org. We look forward to hearing from you and appreciate your assistance.
