Members-at-Large

BRANCH ACTIVITY REPORT, December 2006

BRANCH ACTIVITIES

The Central Alberta Branch held two Executive Meeting since the last report. The next Executive Meeting is scheduled for May 1st, 2007.

Red Deer College Student Night:

The Central Alberta Branch held a Red Deer College Student Night on March 15th. The event was attended by 30 students and 15 APEGGA members from the Central Alberta area. The event provided an opportunity for first year engineering students to interact and ask questions / exchange ideas with practicing engineers - from different fields and backgrounds. The feedback from students and APEGGA members on the event was very positive. Everyone thanked Dr. Brian Stockhouse for organizing this excellent event.

Central Alberta Science Fair:

Once again Central Alberta APEGGA members participated and helped judged the Central Alberta Regional Science Fair. Over 65 schools projects from the Central Alberta area were on display in Red Deer. Students, parents and APEGGA members had fun and thanked the organizing committee for bring outstanding science and applied science project to the public.

BRANCH BUDGET

The Branch is financially sound.

UPCOMING EVENTS

Future Event Possibilities:

- Glencoe Resources CO2 Plant
- Red Deer Regional Airport tour
- 10th Annual Central Alberta APEGGA PD Day
