- Engineers Without Borders Presentation April 16, 2009
- Roy Lindseth, Life Member's presentation June 11, 2009

Branch Operations

CBEC discussed the options for adding fundraising activities to the Annual Golf Tournament, including a 50/50 draw and Mulligan Sale. Ticket prices and final options for APEGGA Education Foundation fundraisers will be set at the next meeting, after our sponsorship numbers are known.

CBEC is planning an additional fundraising event for APEGGA Education Foundation. The idea is to have two special Evening Professional Presentations where proceeds are specifically earmarked for the Foundation. Planning has been referred to the CBMC to suggest presenters who might be approached to donate their time. We hope to have high-draw names and use the APEGGA Calgary offices to keep expenses to a minimum and draw a large crowd for

donations. The plan is to offer topics which are valid for Professional Development credit.

### **FINANCIAL ANALYSIS**

The Branch is financially sound.

Signed Treasurer's report from 2008 will be submitted at April Branch Chair's meeting.
