#### **BRANCH OPERATIONS**

- **Supporting APEGGA Vision/Mission via Branch Terms of Reference**

The committee will be finalizing the Branch’s 2008/2009 Operating Plan. The basis of the plan are three major thrusts (see below). Three taskforces were struck and will cover the following areas:

**Communications** – Peter Doell – this area concerns the communications APEGGA has with its members such as emails or letters and active participation on the communication committee being led by Jim Beckett, P.Eng. (President elect)

**Public Affairs** – Shiraz Kanji – this area concerns other ways in which we reach out to the community/members such as outreach program activities.

**Professional Development** – Bong Estoque – e.g.: branch luncheons, PD evening presentations, and mentoring.

These taskforces were considered two to three years ago but are being pursued again to ensure that all branch activities align with the APEGGA mission and vision. The taskforces will investigate

what the previous vision was, what we should be doing in terms of the branch members assisting in these areas.
