BRANCH ACTIVITY REPORT, December, 2006

BRANCH ACTIVITIES

- September 16, 2006 – At the first Edmonton Branch luncheon since the summer break Mr. John McDougall, P.Eng gave a presentation on “Alberta Research Council’s Role in Achieving Alberta’s Strategic Agenda”. Several members of Council attended this presentation.
- October 17, 2006 – Dr. Sam Shaw of NAIT talked about “Alberta’s Skilled Labour Shortage”. A very timely presentation considering the “hot” Alberta economy.
- November 16, 2006 – A Professional Development evening was held where Mr. Rajiv Dua, an instructor at NAIT presented on the topic “Project Management – Cost Overruns.” This event had 25 people in attendance.
- November 21, 2006 – Dr. Larry Ohlhausser’s luncheon topic was “Stress Management”. This presentation was well received and highly rated by a capacity audience

UPCOMING EVENTS

Upcoming events:

- January 16, 2007 – Jill Meger – Edmonton Tetra Society – Building Assistive Devices for Disabled Persons
- February 28, 2007 – President’s Visit Luncheon and elections of the 2007/2008 Executive.
