BRANCH ACTIVITY REPORT, Date 22 February, 2006

BRANCH ACTIVITIES

Student Night

A student night was held on November 25th. Topic was "Meet some Engineers Night c/w refreshments", which was attended by students, guests and member

Speaker Night

Dr Phil Currie from Royal Tyrell Museum now with U of A., was the speaker on January 19th, 2006. Dr, Currie shared his experience on Dinosaurs discovery works at the Artic.

School Presentations

Branch members, Alan and Murray did a couple of presentations at a local school. Branch is agreed to expand this activity more on regular basis.

Science Week

Branch represented APEGGA in a well attended stall during the event on 13 Feb., 2006. Main visitors were from GPRC College and high school students.

Others

ASET

Branch is keeping in touch with the local ASET representatives and members by inviting them in branch activities and participating in arranging branch activity together.

Council Meetings

As these meetings typically take place on a weekday, another executive member may attend in Bert's absence. Myself, Scott, Kristine and Steven expressed interest in attending.

UPCOMING EVENTS

Science Olympics

All preparations are complete for the February 25th, 2006 Science Olympics.

Ski Trip

On February 25th students are going on a trip to study geology of mountains.

Professional Development

Sherry Samborski, P. Geol. Will be giving a presentation "Pulling Dragons from the Ground" on February 28th, 2006. Sherry Samborski, will provide a brief look at the history of petroleum exploration in Alberta with particular emphasis on the Peace River region. She will outline the secret for finding oil and gas by sharing geological principles describing famous oil and gas fields in the Peace Country.

President's Visit

Scheduled for March 2006.

Branch Article

Sherry Samborski has also volunteered to write the Branch Article on the same topic As her speech.

Newsletter

Steven is currently working on the Branch Newsletter.

Regional Science Challenge

Branch was approached to get involved with the above project. It is held shortly after Science Olympics, usually in Fairview. Branch decided that we may be able to help with judging because of the timing, it may put to much strain on our volunteer pool.
