Place of Birth

2. DEFINED SCOPE OF PRACTICE

Please describe the Defined Scope of Practice of engineering in which you wish to engage and to become registered as a Registered Professional Technologist (Engineering). It is recommended that the Defined Scope of Practice be as specific and concise as possible.

3. EXPERIENCE

Please attach a current resume in reverse chronological order (*present position first*) to your application outlining the following:

- *Company names and locations
- *Employment dates
- *Names of Supervisors
- *Positions titles

For each position include technical responsibilities & accomplishments, management responsibilities, communications skills required and an understanding of the societal implications of your work.

4. REFERENCES

These individuals must be familiar with the significant time elements of your experience and preferably all three of them should be Professional Engineers. At least one of these individuals must be a Professional Engineer under whose supervision and control you worked in your Defined Scope of Practice for two years or more.

	Name	Relationship	Professional Status	Address
