BRANCH ACTIVITY REPORT TO COUNCIL, September 2002

BRANCH ACTIVITIES

- The Peace River Branch Business Plan and Budget were submitted as required.
- The first ever joint ASET and APEGGA golf tournament was held in mid-July. The event was a tremendous success! Over 25 local businesses helped to sponsor the event that hosted 35 golfers. This venue also included the APEGGA Teacher Award Winner who participated in the golfing and was recognized at the BBQ dinner.
- The Branch Out-Reach Coordinator organized volunteers into hosting an APEGGA Challenge booth during the Alberta Science Festival (Grande Prairie). It went very well. A local college professor and branch executive, Bert Hunt, brought a telescope to look at sunspots. This was well received. We also had slime & gak, marshmallow trusses, and rockets that blast off with vinegar and baking soda. The number of children participating was beyond counting. We awarded 10 of our participants APEGGA prizes.

UPCOMING EVENTS

September

- September Council is occurring here in Grande Prairie. The Branch is helping to organize the industrial tour on the afternoon prior to the council meeting.

October

- Regular branch executive meeting on the first Tuesday of the month.
- Beginning to co-ordinate activities for Science and Technology Week.
- Plans are forming for a PD Day in October with 4 topics and a lunch.
