GRADUATE SCHOLARSHIPS

Guidelines for Referees

APEGGA offers two scholarships annually to professional members of APEGGA undertaking a graduate program in engineering, geology or geophysics at the University of Alberta and University of Calgary. The scholarships, valued at \$2,000 each, are awarded on the basis of the relevance of the thesis to the applicant's work experience and career aspirations and on the benefits that will accrue to the Alberta economy as a result of the research. Applicants shall have been accepted into the first year of a full time graduate program. Should there be no applicants entering first year, consideration will be given to candidates entering second year.

The applicants are required to arrange for two letters of reference to accompany the application. To assist us, please address the following topics:

1. How long have you known the applicant?
2. What is the nature of your association with the applicant?
3. Based on your personal knowledge of the applicant, provide your comments on the applicant's:
 - a) Extra-curricular activities
 - b) Leadership ability
 - c) Communication skills
 - d) Ability to set goals and attain them
 - e) Strengths and abilities that would enhance the future of Alberta

and why you believe that the individual is a person of outstanding merit.

4. Summarize how this applicant would utilize the scholarship funds to amplify upon his/her previous employment or selected career path. Comment on the applicant's enthusiasm for the area of specialization being studied and, if known, how the study will benefit the Alberta economy.

APPLICATION FOR GRADUATE SCHOLARSHIP

APEGGA offers two scholarships annually to professional members of APEGGA undertaking a graduate program in engineering, geology or geophysics at the University of Alberta and the University of Calgary. The scholarships, valued at \$2,000 each, are awarded on the basis of the relevance of the thesis to the applicant's work experience and career aspirations and on the benefits that will accrue to the Alberta economy as a result of the research. Applicants shall have been accepted into the first year of a full time graduate program. Should there be no applicants entering first year, consideration will be given to candidates entering second year.

The scholarships are known as the **APEGGA R.M. Hardy Graduate Scholarships** in honour of Dr. Hardy, P. Eng., renowned engineer and educator, who was Dean of the Faculty of Engineering at the University of Alberta.

The scholarship will be paid directly to the university by APEGGA upon confirmation of registration.

To Apply

1. Arrange for two letters of reference as per this form.
2. Arrange for comments from your thesis advisor as per this form.
3. Submit by July 15 the completed signed form to APEGGA - Attention Graduate Scholarships. Selection will be completed by August 31.

Please TYPE, or PRINT using black pen. Use additional sheets if necessary

Name: M_ _____
Surname Given Names

Mailing Address: _____

Phone: Home: _____ Work: _____

Present Address: _____

APEGGA Membership Number: _____ Professional Designation: (Please circle) P.Eng. P.Geol. P.Geoph.

Citizenship: _____ If not Canadian- Landed Immigrant: ☐ Yes ☐ No

Birthdate: _____ University I.D. # _____ Social Insurance # _____

Post Secondary Education

Universities Attended	Name of Program (& specific courses if any)	Specialty or Field of Study	Degree & Dates

Attach a copy of the transcript from each university program and give marks of any other specific courses completed. (Factors considered in selection also include marks in undergraduate programs and any related university courses).

Scholarships and Honours

Award	Where Conferred	Year

Research, Publications, etc.

If you were engaged in academic or industry research activities, give details in this section.

Employment Experience since Bachelor Graduation

Dates	Position & Title	Duties

References

Arrange for two letters of reference from persons who are familiar with your work background to be submitted to the Association. At least one should be a professional member of APEGGA. Give names and addresses of these persons.
